## PORTFOLIO

- TRISHOP
  - TRISHOP is an e-commerce website for people to buy and sell items. The purpose of this app is to minimize the risk of Covid-19 by making people buy items using this app instead of going outside.
  - Website: [tri-shop.netlify.app](https://tri-shop.netlify.app)
  - Project Video:  
<https://www.youtube.com/watch?v=aLKxBt2e1No>

## LANGUAGE

**English** – Intermediate

**Bahasa Indonesia** – Native Speaker

**Mandarin** – Intermediate

**ACADEMY REPORT:**

MENTOR <b>Amirul Fatta / Michael Tamsil</b>					
Parameter	Skill Description	Mentor Scoring	Parameter	Skill Description	Mentor Scoring
1	Laptop Configs (Linux, Chrome, VS Code)	6	30	React State & props	5
2	Github Config	6	31	React router DOM	5
3	Basic terminal	6	32	React hooks	4
4	Collaboration on Git	6	33	React form	5
5	Markdown	6	34	Formik	5
6	HTML basic	6	35	React component lifecycle	5
7	CSS Basic	6	36	React useEffect	6
8	Design system	6	37	Rest API with fetch	5
9	Deployment (Github pages, netlify)	6	38	React hooks advance	5
10	Google font	6	39	Create API	5
11	UI design with Figma	5	40	Express JS	5
12	Computer Logic thinking	6	41	Postman/insomnia	6
13	Javascript Basic (variable, data type)	6	42	Body parser	6
14	Advance Git (Gitignore)	6	43	Express generator	6
15	Javascript basic (Looping, conditional, operator)	6	44	CORS	6
16	Global method (string number)	6	45	Deploy API to Heroku	5
17	Global Method (array)	6	46	API with MVP	5
18	Web Storage	6	47	Environment in Node	5
19	JSON	6	48	Create app in MongoDB	5
20	Javascript functions	6	49	Connect API to React	6
21	Date object JS	6	50	NodeJS using Mongoose	5
22	This function on JS	6	51	Express with MySQL	5
23	Node basic	6	52	Express with Sequelize	5
24	NPM basic	5	53	Sequalize Migration	5
25	JS Modules	5	54	bcrypt	5
26	Asynchronous programming	4	55	JSON webtoken	5
27	JS AJAX	6	56	Multer	6
28	JS Fetch	6	57	Redux	5
29	react styling	5		React Native	
Note: Empty score ( - ) meaning the student has not received the material			SCORE	313	
			AVERAGE	5.49	
			RANK	7	

Add-on Parameters		
Parameters	Description	Mentor Scoring
1	<i>Critical Thinking</i>	6
2	<i>Learning Agility</i>	6
3	<i>Communication Skills</i>	6
4	<i>teamwork &amp; Collaboration</i>	6
5	<i>Preserverance</i>	6

Summarize	
Strength	have good attitude to solve problem and try it by herself, always trying to understand the code

Scoring Scale					
Non-Existent	Bad	Below Average	OK	Good	Excellence
1	2	3	4	5	6
